

Removing Texas Instruments TI-92 Back Cover

Written By: Daniel Maldonado

INTRODUCTION

Here we will show how to open the calculator. These are the basic first steps to all other guides.

Step 1 — Back Cover

i The first step to any repair operation is to remove the front cover.

- Grab the back of the calculator with one hand and the cover with the other.
- Pull the cover off from one of the sides for easy removal.

Step 2

- Orientate the calculator with the top facing towards you.
- Slide the locking tab, found on the top part of the calculator, to the unlock position.

Step 3

- "Locking Tab"
- To remove the back cover, slide the cover away from the locking tab towards the bottom of the calculator until the cover no longer slides.
- Then with the front of the calculator facing down, pull up on the back cover.
- The calculator should now be orientated with the front facing down, as shown in picture 2.

To reassemble your device, follow these instructions in reverse order.
